# Confidence to live the the life you *love*

When you've built a life you love, you want to take care of it. And when something unexpected disrupts your day-to-day, you want to feel like you can get through it and get back on track. EverydayProtect is a simple, affordable protection policy that provides financial support if things go wrong and give you the reassurance and confidence to keep saying yes to life. With EverydayProtect, you're covered for a range of injuries that could impact your lifestyle, ability to work or care for loved ones.

You'll also be covered for stays in UK hospitals, and get unlimited access to our Wellbeing Support Centre, provided by Health Assured, and GP24, our virtual GP service in partnership with HealthHero. You can say yes to EverydayProtect from as little as £10 a month. You can also add Active Lifestyle cover from £1 a month, and Child Cover from £2 a month.

# EverydayProtect at a *glance*

## Why is EverydayProtect right for me?

-  **Flexible cover when you need it**  
EverydayProtect provides financial support for broken bones, hospital stays, and a range of accidental injuries. You can claim for multiple injuries and your policy will continue to protect you in the future.
-  **Getting you back on your feet**  
You will receive UK hospital cover for every 24 hours you spend as an in-patient as the result of an accident. Once you've held your policy for at least 12 months, you can also claim for time spent in hospital due to sickness.
-  **Peace of mind**  
Accidental death and non-accidental death cover, to provide peace of mind if the worst happens.
-  **Great value**  
Cover starts from as little as £10 up to £50 per month, depending on the level of protection you choose. Plus, the cost of your cover won't change when you make a claim or as you get older.
-  **Cover, whatever your circumstances**  
We won't ask you any health questions when you take out the policy. If you are a UK resident, you can take out this policy from 18 years old up to your 65th birthday and can continue cover up until your 75th birthday.

### Additional optional cover

EverydayProtect also offers optional cover for families with children or those with active lifestyles. Optional cover is available from just an additional £1 per month, so you can tailor your cover to your circumstances and what's important to you.
