Tools for life, loss and *legacy*

For planning your legacy:

Digital vault

- A cloud based digital vault to store your documents, passwords, photos, and personal mementos
- Allows up to 100GB storage
- Access for up to 4 individuals to receive the key to open it when you pass away

Online will writer

- Create a simple will and estate documents, and store them online
- Tools helping to highlight key considerations when drafting a will
- Helpline available 24/7, 365 days a year to help with any queries

At a time of loss:

Funeral planning tools

- To help you make informed decisions about your funeral wishes
- Access to an online funeral comparison tool to find local funeral service costs, which gives transparency when planning a funeral, and ensures loved ones aren't overpaying for services

Funeral adviser service

- Expert advisers available 24/7 who can assist your loved ones throughout the funeral process
- Empowers your family to make well thought out decisions and to help them carry out your wishes
